Catering Arrangements and Booking Form

Our Caterers are Knots Catering, superbly and efficiently run by Lesley. She and her team will be under tremendous pressure to feed all hungry sailors and parents during the event and we are confident you will not only find the food of the highest standard but the service will be friendly and helpful.

To help us help you it would be appreciated if you could complete the following to indicate your dining requirements during the event.

Friday evening

Casual dining in the restaurant from 6 pm onwards. Children's menu available.

Saturday evening

All sailors will be provided with a meal at around 5pm. This may be followed by an hour's children's entertainment. After that there will be casual dining when our caterers will be running a Bistro style restaurant.

Sunday after sailing

Knowing that many of you will have long journeys to make and will want to get on the road as quick as possible after packing up and prize giving, a casual barbecue will be available for all sailors after sailing.
