Intended hotel booking

Hotel Armadams :

The hotel is walking distance to the club along the Marina. There is a wide choice of rooms which will allow any gender balance in the team and/or sharing with travelling parents.

Booking to be done individually

Flights (From Ireland)

The flights below are the recommended ones... They will allow minimum school missed yet giving us time to get charters sorted (The 5th) and a short training session on the 6th (First races on 7th). They are also the cheapest with shortest travel times. Sailors travelling without parents will be on the coach booking and will be billed separately.
